

### WEDDINGS BY COMIS

#### THE PERFECT MATCH

THANK YOU FOR CONSIDERING HOLDING YOUR WEDDING WITH US AT THE FOUR-STAR COMIS HOTEL AND GOLF RESORT.

WE PROMISE YOU AN UNFORGETTABLE EXPERIENCE AND WE WILL BE WITH YOU EVERY STEP OF THE WAY.

TOGETHER WE WILL CREATE A TRULY MEMORABLE OCCASION AND ADD TO THE MAGIC THAT IS YOUR WEDDING DAY.

#### THE COMIS EXPERIENCE

At the heart of that magic is the Comis. A 108-bedroom resort hotel set in 250 acres of magnificent Manx countryside – the perfect backdrop to your perfect day. Tranquil, luxurious guestrooms and suites, a lavishly equipped spa, indoor pool, gymnasium, a choice of elegant restaurants and bars, a championship golf course and driving range, all combine with four supremely versatile spaces to choose from for hosting your wedding reception – be it an intimate or large-scale gathering.

And with its wealth of facilities, the Comis is perfect for 'hen and stag' or 'night before' stays, as well as relaxing 'spa-cations', before or after The Big Day.

We are also licensed to host civil and marriage ceremonies, so the Comis really can be with you every step of the way on your new journey together.

#### PLANNED TO PERFECTION

At the Comis we understand that the smallest details can make the greatest and truly lasting impressions: for you, your families and your guests. Our wedding coordinator and talented team will work with you to set the scene and advise on themes, décor and those special flourishes that will add to the magic.

And our attention to detail and personal service doesn't end there. On your Big Day your wedding coordinator will be with you to ensure all your plans and dreams come together seamlessly and in perfect harmony to create a bespoke occasion we are confident will be all you had ever wished for...and more.

That's the Comis vow to you.

#### THE BRIDAL SUITE

Your wedding day isn't just about saying 'I do'. The morning of the big day, the hair, the make-up, all play a part in your wedding day experience. That's why we created our Bridal Suite to ensure you have the surroundings you need to get ready in comfort and luxury; not forgetting that this will also be the room where you will finish your day as a newly married couple.

Besides all the standard, high-quality amenities you would expect from a bedroom at the Comis, the Bridal Suite also features a four-poster bed, his and her sinks in the bathroom, and patio doors leading to an outside seating area.
